

Privacy Policy

This privacy policy describes how ww.sustainablesal.com (the “site” or collectively “I”, “we”, or “us”) know you care about how your personal data is collected, used or shared when you visit the site.

The following describes how we collect, store, use and disclose your personal data*.

*Personal data is data relating to a living individual who be identified, or is identifiable, using this data or if this data is used in conjunction with other data that is in Sustainable Sal’s possession, or could come into it’s possession.

If you have any questions, comments or concerns you can contact me at hello@sustainablesal.com.

When do we collect your data?

- When you visit my website
- When you contact me through the contact form
- When you have given a third party permission to share the information they hold about you with me
- When you leave a comment – if you leave a comment on the site, I collect the data shown in the comments form, and also the visitor’s IP address and browser user agent string to help spam detection.

What personal data do I collect?

- Your contact information – if you submit an email via our contact page
- Cookie information from your PC
- Your social media name if you choose to contact us via this platform

How and why I use your information?

We are committed to protecting your privacy and only use the information I hold about you in accordance with General Data Protection Regulation (‘GDPR’). We will not collect data from you which we do not need in order to proceed with your request.

We will only disclose your Personal Data if we believe in good faith that we are required to disclose it in order to deal with any fraud and comply with any applicable law, a summons, a search warrant, a court or regulatory order, or other statutory requirement.

Your details may be used to contact you regarding surveys and feedback which help improve my service to you.

Your information is used to provide you with marketing information about our content, products and services, if you have consented. You have a right to stop us contacting you for marketing purposes at any time

How do we protect your data?

Our website is secured with the “https” technology.

Cookies

If you leave a comment on this site you may opt-in to saving your name, email address and website in cookies. These are for your convenience so that you do not have to fill in your details again when you leave another comment. These cookies will last for one year.

Who do I share your data with?

We do not share your Data with any third party unless the law allows them to do so.

How long do we retain your data?

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognize and approve any follow-up comments automatically instead of holding them in a moderation queue.

We will never keep your data longer than necessary.

Your rights

While we have personal data about you, you have certain rights. These include:

Right to access

You may request a copy of all personal data held by Sustainable Sal about you.

Right to rectify

You have the right to ask Sustainable Sal to correct any inaccuracies in the personal data held about you.

Right to erasure

In certain circumstances, you have the right to ask that we erase any personal data we are processing about you.

Please note that we may still be allowed to retain and use your information. For example, if it is necessary to comply with a legal obligations, resolve disputes, enforce my agreements, or defend / establish a legal claim.

Right to restrict

In certain circumstances, you have the right to request that we restrict the processing of your personal data.

Right to withdraw consent

Where we are processing your personal data on the basis of your consent, you have the right to withdraw your consent at any time.

How to exercise your rights

Please contact us at hello@sustainablesal.com and provide us with as much information as possible to enable me to respond to your request.

Right to complain

If you believe Sustainable Sal is breaching your data protection rights, you have the right to complain to the data protection regulator.

Where do we send your data?

Your comments may be checked through an automated spam detection service.
